Description

We are on the market since 25 years. Our Main activity is the delivery and installation of curtain wall (cladding), back-ventilated tile facade System. With our subsidiary founded in 2013, we have focused on the specialist field of ALUCOBOND. Our projects cover the building and modernisation of facades of discounter markets, gas stations, system gastronomy (Restaurant chains) and car dealerships. Our company employs 25 employees and is located in the North-West of Dresden. We are already experienced in working together with international subcontractors.

Naší hlavní činností je dodávka a montáž zavěšené fasády (opláštění), odvětrávané dlážděné fasádní systémy. S naší dceřinou společností založenou v roce 2013 jsme se zaměřili na specializovanou oblast ALUCOBOND. Naše projekty se týkají výstavby a modernizace fasád diskontních obchodů, čerpacích stanic, systémové gastronomie (restauračních řetězců) a autosalonů. Naše společnost zaměstnává 25 zaměstnanců a nachází se na severozápadě Drážďan. Máme zkušenosti se spoluprací s mezinárodními subdodavateli.
