Description

We specialize in design, production and sale of black plastic fully recyclable garden edging. The product is environment-friendly made of recycled PE material in black colour with UV stabilizer. Besides, we are focused on energy, telecommunication, garden and leisure products as wholesaler.

Vývoj, výroba, prodej zahradního skrytého obrubníku - zamezí prorůstání trávy a oddělí 2 povrchy v zahradě. Obrubník je vyroben z PE, v černé barvě s UV stabilizátorem. Více na <https://www.ceskyobrubnik.cz/>
