Description

Bohemia Works, a.s., is a recruitment agency coming from the South of Bohemia, which offers to your company a wide scale of services in the field of recruitment and human resources management. We mediate qualified workers especially to Germany and Austria. We provide mainly workers from the field of engineering, industrial production and further technical disciplines.

Bohemia Works, a.s., je náborová agentura pocházející z jižních Čech, která nabízí vaší společnosti širokou škálu služeb v oblasti náboru a řízení lidských zdrojů. Zprostředkujeme kvalifikované pracovníky zejména do Německa a Rakouska. Zajišťujeme především pracovníky z oblasti strojírenství, průmyslové výroby a dalších technických oborů.

Offer & Request

HR services

Our agency offers personal services, as e.g. recruitment and allocation of the chosen employee according to the client's requirements. For example leading his/her personnel and payroll agenda, continuous monitoring and evaluation of all the worker's documents and of his/her hours worked. Further, e.g. outsourcing of employees. We flexibly respond to our clients' requirements and we provide workers with both professional and language knowledge
