- 13.15 - 15.40

Description

The new project "Bydlení na splátky" has the ambition to provide an affordable house or flat to more or less anyone who is able to advance payment and to pay regularly installment by rent. The project consists of buying and repairing older houses and building new houses on a turnkey basis.

—
Nový projekt Bydlení na splátky má ambice zajistit dostupný dům nebo byt víceméně každému, kdo je schopen akontaci a splácet pravidelné splátky formou nájmu. Projekt spočívá ve výkupu a opravách starších domů i stavbě nových domů na klíč.
